 - RHS Liaison will be discussed later but Cllr Atkin thought it was a good meeting.
 - Clerk - Raised on behalf of a resident:
On 14th October there was a cycle event on the Bar. Signs started to go up on Saturday but we hadn't received any advance warning. There were cars parked either side of the road at the top where my drive is, it's already dangerous enough to get out of the drive (and my uncle's which is opposite) without people parking either side of a very narrow road. I almost got taken out, again, the other day. I don't like going out on this road in my car now (ford ka) and only do so for work. If we do go out we go out in my partner's land rover because it is the only way we feel safe either on the Bar or going up and over the moor. If I do drive, I elect to go "up and over" and back through Darley Dale to get to the village or to Matlock or Bakewell etc as I am too scared to drive up and down the Bar because of how people drive on it, the type of vehicles which are using it and also the condition of the road. Cllr Atkin
This is being covered by the Committee report which Cllr Atkin is looking in to.
 - Cllr Bean – Has had a complaint regarding dog poo being bagged up and hung on trees. It was agreed to put this in the newsletter and ask the District Council to look again at putting a bin in. Clerk

14 Feedback from Meetings and Training

- Parishes Day 30th September 2017 – Moved to the next meeting Clerk
- RHS Chatsworth Flower Show - Liaison group meeting 12th October. Clerk has drafted the following press release: Clerk

The RHS Chatsworth Liaison Group met on 12th October to debrief on the first show and hear about any proposed changes for 2018. The RHS and Chatsworth acknowledged that the first day's traffic was an issue and apologised again for this. There wasn't a single reason but a number of factors which combined to cause a bigger problem such as poor weather making some of the car park areas harder to navigate, not enough signage in some areas and lack of clarity over routes. This was amended for the rest of the week and traffic significantly improved. This improvement will be implemented from day 1 on the 2018 show. Dave Connell from Derbyshire County Council's traffic team has supported the traffic plan for 2018 being based fundamentally on 2017.

Other improvements will be around better communication and timetabling of the shuttle buses serving the neighbouring area and the Edensor show gate will move slightly to improve pedestrian access.

The next Liaison meeting will be next year and will cover all events being held at Chatsworth in 2018.
