  - Cllr Potter – Pleased Matt Buckler has come. The Travellers are causing problems in Rowsley. Gary Purdey & Sue Hobson (Leaders of DDDC) have not mentioned about dealing with the Travellers in the DDDC plan that was sent out. On the Business park parking which is relied on by the business park. Customers not using car park so putting businesses at risk.
    - o Cllr Bean – Concerned that DDDC want the Travellers on the Car park. The communication from DDDC is poor and leaving the Parish Council in the dark. Waste is being dumped and it is unacceptable. Staff and customers of the business park are having issues with abuse.
    - o Cllr Buckler – DDDC looking for site but last one was rejected by the County Council due to a road being put through it.
    - o Cllr Bones reported that he had received correspondence from DDDC stating that the Travellers were currently tolerated. His response was that the local residents and the customers are tolerating the issue and received no response to his query about how long the Travellers will be staying.
    - o Cllr Buckler requested that all correspondence sent to the DDDC about the Travellers be sent to himself to see what he can do. DDDC has legal obligation to home the Travellers on the site and the obligations are not being met.
    - o Cllr Bean noted that several families were on the site not just the one. This is taking up a huge amount of the Car park.
