Clerk

Councillor Potter led the council in a minutes silence for Holocaust day.

Prime Minister’s Questions Quarrying Statement by Ms Dine MP

Cllr Potter raised the most recent Prime Ministers Question Time and noted that there were serious issues with the topic of quarrying being the first Parliamentary statement from Sarah Dine MP for Derbyshire Dales. The Council listened to the speech the Clerk played for them. Cllr Potter reported that strong letters have been written in objection to our MPs statements about quarrying in the Derbyshire Dales and it was noted that the policies of the Peak Park are for reducing quarrying not increasing as it appeared to be suggested in Ms Dine’s speech.

- Cllr Sue Fogg from Stanton in the Peak noted that the old quarrying consents have been given up so the local quarries should have no further extensions.
- Cllr Matt Buckler stated that he would like the Parish Council’s views and that this was the area for the Minerals plan written by the National Park Authority.
- Cllr Potter reported there would be a meeting on the 2nd Friday in February.
- Cllr Friend queried whether the MP has any influence over quarrying as it would seem to be that she is praising quarry workers rather than the quarries themselves.
- Cllr Fogg reported that there were 3 working quarries. 1) Dale View with permissions up to 2032 with up to 18 lorries a day moving in and out. 2) the new Pillhough quarry with an extra 50 thousand tonnes of stone being taken out with permission until 2022. The quarry signed for it in 2017 hoping for an extension to 2032. There is a huge piece of land between Pillhough and Dale View and the land owner of the strip between these two quarries wants it quarried meaning it will join up the two quarries. 3) Birchover quarry. Sarah Dine’s statement puts emphasis on other quarries such as the proposed one at Bent Lane in Darley Dale. Cllr Fogg asked if other councils would be willing to join together to oppose this and they would like to hear from the MP to clarify why this topic was chosen as there were many other topics that could have been chosen instead that were much less inflammatory.
- Cllr Atkin stated that the statement had been misunderstood and clarified that an MP cannot influence quarrying permissions. He stated that part of the speech was an invitation for the Prime Minister to come to Derbyshire Dales which would be a good thing for the area. Cllr Atkin agreed to try and facilitate a meeting with Ms Dine if possible.
- Cllr Hockley noted that the Council need clarification on the statement as it was a very emotive statement for the area
- Cllr Friend stated that it was as though Ms Dine had just landed on quarrying to promote Derbyshire and not given the topic enough thought.
- Cllr Potter reported that residents had started an action group. There was also concern that others will be encouraged to quarry thanks to the statements made.
- Cllr Myers queried whether Ms Dine knew the impact of her statements? And concurred that the Councils should meet with her and discuss the issue. Cllr Hockley also agreed with this

Chairman’s Signature Date.....

- Cllr Friend recommended a council group letter asking the MP what she meant from statement as it could be that she was trying to highlight positive things about Derbyshire.
- It was agreed to speak to other parishes and try to arrange meeting.
- Cllr Oakley noted that it was not just the Rowsley area where quarrying was taking place but Ashbourne as well. He thought that she was trying to attract attention to the area but it's come over wrong. He did agree that perhaps the MP should have been focused on something else rather than quarrying.
- Cllr Atkin reported that Derbyshire is the biggest producer of Minerals in Europe and part of Ms Dine's speech was an invite to the PM to come and look. Cllr Atkin felt that the Councillors were having a kneejerk reaction but he can understand the worries given the areas history. He repeated that the MP cannot make decisions regarding quarry extensions.
- Cllr Potter asked Cllr Atkin whether Ms Dines was aware of the effect of her speech and Cllr Atkin reported that she was and that as Vice Chair of the conservative association he will try to arrange meeting.
- Cllr Potter asked the other council representatives to get together to respond after Stanton in the Peak Parish Council had issued their letter. Other Council's were invited to respond as well.

Clerk

Travellers

Several parishioners queried what was happening with the Travellers.

- Cllr Potter reported that she had sent an email about the mess left behind to the District Council. Councillor Friend also reported this to Cllr Buckler.
- It was queried whether the barrier over the Old Station Road Carpark would be put back and Cllr Atkin reported that it had been removed to allow large DDDC vans in to the carpark. Cllr Buckler stated that he will look into it with the DDDC
- It was asked what are chances of them returning to the carpark? The Clerk reported that there was supposed to be a permanent site going to planning in February as reported at a meeting of the Environmental Committee at DDDC attended by Cllrs Friend and Bean. Cllr Atkin updated that as of yet there was nothing on the Planning Committee agenda about the site.
- Cllr Bean reported that there was a proven case of fly tipping by the Travellers but no action had been taken by the District Council. Cllr Atkin recommended that the Council write to the District Council Officers to clarify the reasons behind this.
- Cllr Friend reported that she had been told that the issues with the Travellers and a permanent site would be addressed in February by Paul Wilson the CEO of the District Council. Cllr Atkin reported that the DDDC meeting on Wednesday 29th January at 7pm would be good place to ask what was happening and why there was a delay with things moving to Planning. Cllr Potter reported that she was attending this meeting and would report back to the Council.

4. There were no items on the agenda to exclude members of the press and public in order to discuss the following item under the Public Bodies (Admission to Meetings Act 1960).
