Mr Mosley – Haddon Landscapes

Mr Mosely reported that the Rowsley FC had requested that the pitch not be mowed by Mr Mosley, and they would do it themselves. Mr Mosley raised the fact that the different mower is causing rhizomes and is creating a denser area to mow in the future due to the grass being left longer. He didn't feel that the pitch was being mowed to as good a standard with the ride on mower and when raised with the football club had led to the request that the area be mowed only by Rowsley FC. The Council noted that they are happy with Mr Mosley's standard.

Cllr Friend queried why Rowsley FC were not happy with Mr Mosley's mowing and Mr Mosley explained that he had been told his mow is too short at a cut of 2mm. He was also told that the grass cut by himself is requiring clearing of more boxes of grass than the football club mow which means with their cut much less grass is coming off the pitch. Mr Mosley noted that he had not had any issues with other areas football clubs. Cllr Rowney agreed to discuss this with the football club.

Cllr Rowney

Cllr Hockley reported that he had phoned about bins not being emptied several times and the District Council had told him this was due to Serco. A leaflet about the situation was sent out by the DDDC but still the recycling had not been emptied on the back of Chatsworth Road for four weeks. It was noted that the excess wasn't being collected either despite the removals running so late. The bins are now not being put away off the back road and are refilled straight away when deliveries are taken so the bins are getting fuller and fuller and not being emptied. Vermin has been seen in the area as well. Cllr Wildgoose noted that bins on the front of Chatsworth Road are being emptied to schedule as usual. It was noted that this was now becoming an Environmental Health issue. Cllr Hockley also reported fly tipping at the back of the car park which looks to be building waste. Some of the waste had been removed but there was still a pallet, two bags of gravel and a bag of cement.

Clerk

Cllr Wildgoose reported that there was a streetlight out on Chatsworth Road, and it was agreed that the light numbers will be given to the Clerk for reporting.

Cllr
Wildgoose &
Clerk

Cllr Buckler requested the information from the fly tipping and bins along with photos be sent to him. Cllr Buckler also reported that the GMB response to Serco's refusal to up loaders wages had been to vote for industrial action, but that at this point it may not come to strike action.

The poor state of the playground at Chatsworth Road was raised and Cllr Buckler agreed to raise this with DDDC officers

Cllr Hockley reported that there has been a request for repeater 30 mph signs on Chatsworth Road to combat the fast speeds towards Beeley. The Clerk will raise this with Cllr Hobson (DCC)

Clerk

Cllr Potter in advance of the further cycle trail works expected in Rowsley gave an update on the issues surrounding the passing of the planning approval for the trail and the issues raised by the parish council into the legality of the process.
